OPPORTUNITY TO SHAPE THE FUTURE OF NDF

NDF is seeking a

MANAGING DIRECTOR

The main responsibility of the Managing Director is to provide strategic and operational leadership in shaping NDF's future strategic role, value proposition and orientation within the Nordic and wider international development and climate finance architecture. The Managing Director will also lead and supervise NDF staff in their daily tasks of identifying, developing and implementing operations addressing climate change and development challenges, including cross-sectoral linkages to the sustainable development goals, as well as the financial, administrative and personnel management of the Fund. Furthermore, the Managing Director will be responsible for reporting, outreach activities and external stakeholder relations, including profiling of NDF in relevant international and Nordic fora as well as presenting its work in meetings and conferences.

The Managing Director reports to NDF's Board of Directors.

NDF offers a demanding and challenging job in an international organisation based in Helsinki, working with development and climate change, with an attractive remuneration package and the chance to make an important contribution to the development of a more sustainable future. The position requires a fair amount of travelling. NDF offers a 4-year contract with the possibility of extension for a second term. The term of office for the current Managing Director will end on 31 October 2018, so it is expected that the new Managing Director will take up the positions as soon as possible after that date.

NDF warmly welcomes expatriate employees and their families, and will help in making relocation and integration as smooth as possible. Helsinki is a lively, Nordic capital with a modern and international atmosphere. The educational system of Finland is renowned for its high quality.
