

Do you also have a great business idea?

NCF7 Call for proposals open

Date: 28 Aug - 29 Sep 2017

Theme: Climate as Business -

Testing innovative green business concepts

Present your green business idea to the Nordic Climate Facility (NCF) and you could receive up to EUR 500,000 in co-financing to test it.

Apply between 28 August and 29 September 2017

The Nordic Climate Facility (NCF) is a challenge fund that finances innovative climate change projects. NCF financing is allocated on a competitive basis with calls for proposals arranged annually. The theme of the upcoming call for proposals is:

Climate as Business - Testing innovative green business concepts.

Who should apply?

Companies or organisations that wish to test a business concept that contributes to increased climate resilience and/or mitigates climate change.

Apart from tackling climate change in an innovative manner, successful proposals will:

- stimulate business development in low-income countries;
- create jobs and income-generating opportunities;
- reduce poverty;
- increase gender equality.

All projects should be implemented through partnerships between Nordic and local organisations in one of the 21 eligible NCF countries. These countries are:

Africa: Benin, Burkina Faso, Ethiopia, Ghana, Kenya, Malawi, Mozambique, Rwanda, Senegal, Tanzania, Uganda and Zambia

Asia: Bangladesh, Cambodia, Laos, Nepal, Sri Lanka and Vietnam

Latin America: Bolivia, Honduras and Nicaragua
